Bar Package FAQ's

Why use a Pony, Mustang or Stallion over any other type of bar?

These are all based on a 3-hour time block per person. No extra fees unless you do upgrades.

What is the difference between using the Stampede, the Stagecoach and the Round-Up Bars?

The Stampede is all of your own choices, no per person fees, totally hosted and paid for your guests by you, no time limit. The Stagecoach has a pre-chosen product list, has per person fees, a 5-hour time limit and is again fully hosted and paid for by you for your guests. The Round-Up has a product list picked by us, with set up fees and minimums. Either you or your guests may pay for the drinks.

Would I be able to have more than one type of bar in one event?

Yes, you could have one type for three hours and then add another.

Would I be able to add hours to one of the 3-hour bars?

Yes, we can accommodate that.

Would I be able to add my favorite spirit to one of the bars if it isn't included?

Yes, you would pay the full bottle price per bottle opened.

**Number of persons is based on the amount of adults 21 and older confirmed to attend the event.*

*** Number of persons over the age of 3 confirmed to attend the event.*
